

**NOTICE OF HEARING
TO RECEIVE COMMENTS ON PROPOSED AMENDMENTS
TO THE MAIN SAN GABRIEL BASIN JUDGMENT**

**Wednesday, September 1, 2010
2:30 p.m.
City of Azusa Light & Water Building
Azusa, CA**

TO ALL PARTIES TO THE MAIN SAN GABRIEL BASIN JUDGMENT (L.A. Superior Court Case 924128):

The Main San Gabriel Basin Watermaster is considering proposed amendments to the Main San Gabriel Basin Judgment. Many of these proposed amendments are the result of changes in statewide water supply conditions that require changes in our methods of Basin management in order to assure adequate water supplies for the future.

The Watermaster is conducting a hearing for all interested Parties to the Judgment to review the proposed changes, answer questions, and receive comments. The hearing will be conducted at the regular meeting of Watermaster on Wednesday, September 1, 2010, at 2:30 p.m. in the conference room of the City of Azusa Light and Water Building, 729 N. Azusa Avenue, Azusa, California 91702. All Basin water producers are encouraged to review the proposed amendments and submit any comments or questions you may have, in person or in writing. Comments submitted after September 1 will still be accepted; however, Watermaster is expected to set a deadline to receive comments at the hearing.

The proposed Judgment amendments were mailed to all Parties for review in June, in advance of a Producer Workshop; the proposed amendments are also available on the Watermaster website, www.watermaster.org, and copies will be provided at the September 1 hearing. The current Judgment is also available on the website for review and comparison. We can also email the documents to you at your request. If you have questions, please call the Watermaster office at (626) 815-1300.
